PASSIONS

We should employ our passions in the service of life, not spend life in the service of our passions.

—Richard Steele

Mary, the Holy Mother of God

THE BLESSING WE RECEIVE

The blessing we experience in Christ Jesus is proclaimed in Numbers as the special blessing for the people of Israel. They and we are to be blessed by the invocation of God’s loving kindness, the shining glory of God’s face turned toward us in love, not away from us in anger. We are blessed by God’s own peace!

Our wish and our hope are fulfilled in this blessing, which is made visible in the coming of Jesus. In Jesus, the image of the invisible God, God’s face is shown to us and God’s presence is made known to us in faithful and loving kindness.

TREASURES FROM OUR TRADITION

“Octave” comes from the Latin word for “eight,” and since eight is one step beyond seven, the number of days in a week, it has long been seen as a symbol of perfection, completion, and new beginnings. Early Christians called Sunday the “eighth day,” since it was the day after the Sabbath and a day of resurrected life, the Lord’s Day. By the seventh century, people regarded the eight days after Easter Sunday as one great day, an octave, one glorious feast when people were forbidden to fast or kneel. In the seventh century, Pentecost acquired an Octave, too. Christmas didn’t claim the honor of a continuous feast, but it did get an Octave Day. January 1 is the oldest Marian feast, the Octave of Christmas. It was originally a feast of the motherhood of Mary, although for centuries until 1969 it was called the Feast of the Circumcision. Our reformed calendar follows the earlier tradition of celebrating Mary as Mother of God.
