## The Epiphany of the Lord

Magi from the east arrived in Jerusalem, saying,  
“Where is the newborn king of the Jews?  
We saw his star at its rising and  
have come to do him homage.”

Matthew 2:1-2

## FROM OUR PASTOR'S DESK

**T**oday we hear of the wise men, or the Magi, and with that the Christmas story comes to a completion. We not only hear about them; we also see them at the Crib as they make their grand appearance.

Among the figures at the Crib, or the Nativity set, the wise men are the most impressively and glamorously dressed like **Abby in our office**. They wear crowns and royal robes; they bring along exotic gifts of gold, frankincense and myrrh; they came from the East and they carry with them a sense of mystery. They looked like rich and smart guys and they are often portrayed as riding on camels and looking quite elegant.

But from the gospel, we will know that they went to the wrong place (Jerusalem instead of Bethlehem), at the wrong time (when Herod was king) and they asked the wrong question (Where is the infant king of the Jews?)

So much for being wise men. If it had been 3 wise women, the story might have been different.

Different in the sense that the 3 wise women would have asked for directions; they would have arrived on time and helped deliver the baby; they would also have cleaned up the stable; they would have brought practical gifts like milk powder and diapers and chocolates; they would also cook a meal and even bake a cake and there will be peace on earth.

That would be a nice ending to the Christmas story. After all we like stories with a happy ending that would leave us smiling. But if we were to read on from where the gospel ended off, then we would know that when the wise men didn't go back to king Herod, he was furious and then he ordered the slaughter of the infants at Bethlehem.

So, from the start, the Christmas story was a bumpy kind of story. Things didn't happen as expected. And that is one thing that we can learn from the Christmas story – things don't happen as expected. Not even for the wise men in spite of their wisdom.

The feast of the Epiphany is about Christ being revealed to the world. And in a way, the revelation of Christ is also a revelation of what life is all about, and that things don't happen as expected.

We don't always know what God's plans are for us. We just know that His ways are not our ways, but His ways are always best. Let us know that God has a plan for us. If we place our trust in Him, He will give us great gifts.

May the star that led the wise men to the infant Jesus also shine upon us and may God grant us the wisdom to know that when things don't turn out as expected, then God is leading us along His ways.

And like the wise men, may we be at peace in knowing that God will always be leading us in His ways.

Have a wonderful week everyone!

(The Three wise women!!)
