The Most Holy Body and Blood of Christ

Jesus said,
"This is my blood
of the covenant,
which will be
shed for many.
Amen, I say to you,
I shall not drink again
the fruit of the vine
until the day
when I drink it
new in the
kingdom of God."

FROM OUR PASTOR'S DESK

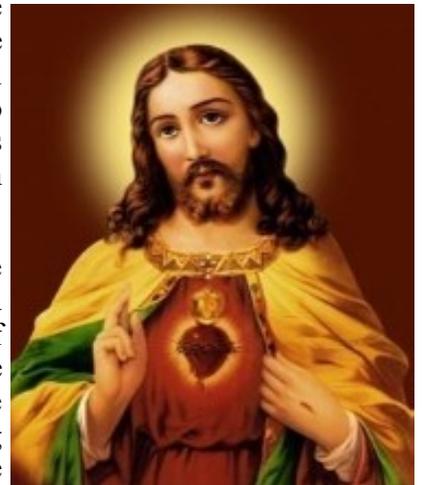

The month of June is traditionally dedicated to the Sacred Heart of Jesus, the highest human expression of divine love. In fact, we celebrate three beautiful feasts in the Catholic Church during this week. Solemnity of Corpus Christi, Most Sacred Heart of Jesus and the Immaculate Heart of Mary.

Solemnity of Corpus Christi (June 6): In this celebration we proclaim our belief in the Real presence of Jesus Christ in the Holy Eucharist. The Eucharistic presence of Jesus can be said to be miraculous as well as supernatural. By miraculous, it is meant that the laws of nature take an exception, that although the forms of bread and wine remain unchanged, the essence is changed and the essence takes on the presence of Christ. By supernatural, it is meant that this is the work of God, and not the reasoning of man, and faith in the divinity of Jesus is required to believe that He is truly present in the consecrated host and wine.

We also proclaim that same Jesus lives within each one of us who are baptized into His Body, the Church. In fact, the entire Trinity takes up residence within us. This is the mystery of what we call communion. The Christian faith and life are about relationship, with the Father, in and through His Son Jesus and in Jesus Christ with one another for the sake of the world. The world into which we process is the world that God still loves so much that He continues to send His Son to save, recreate and transform it from within.

Sacred Heart of Jesus (June 11): In Catholic churches and homes, one of the most popular images of Jesus is the image of the Sacred Heart of Jesus. It is the image of God's love revealed in the pierced heart of His Son. It is the symbol of a love that conquers sin and transcends death, the symbol of the One who loved us to the end. Love has always been associated with the heart, so it was only natural that the love of God is represented by a heart, the heart of his Son Jesus.

On the Friday after the Solemnity of Corpus Christi, the Church celebrates the Solemnity of the Sacred Heart of Jesus. The Church was born from the pierced heart of Jesus on the cross. In the first creation, Eve was born from the side of Adam. In the new creation, the Church was born from the side of Jesus. The Bride from the Heart of the Bridegroom! Since the Church was born from the pierced side of Christ, from his Sacred Heart, this should have great meaning for us. If we feel disconnected from the overwhelming, and incomprehensible divine love which created and sustains us, then the Sacred Heart serves to remind us of all the human heart is capable of.

Immaculate Heart of the Blessed Virgin Mary (June 12): Devotion to Mary's heart is essentially concerned with the love that her heart has for Jesus, for God. Therefore, it is not an end in itself, so the love of her heart is meant to be a model for the way we should love God. The fact that her heart is immaculate, that is sinless, means that she is the only fully human person who is able to really love God in the way that he should be loved.

Honoring Mary's Immaculate Heart is really just another way of honoring Mary as the person who was chosen to be the mother of God, recognizing her extraordinary holiness and the immense love she bestowed on Jesus as his mother. The aim of the devotion is to unite mankind to God through Mary's heart.
