# FROM OUR PASTOR'S DESK

**EPHPHATHA: BE OPENED!** In today's gospel, the people's admiration of Jesus was unbounded as they proclaimed: "he has done all things well, he makes the deaf hear and the dumb speak."

Well, there is a meaning and a purpose behind this healing of the deaf and dumb man. And it is in those two words that Jesus said: "Be opened." And that was what Jesus said to the people then and to us today, do we understand. "Be opened," Jesus said. "Be opened" to what, we might ask.

The gospel account of the healing of the deaf and dumb man is not just about a miracle that Jesus worked. Rather it is a simple but powerful proclamation of the sound of grace, the sound of God's grace. And that is what we are to be opened to – to be opened to the sound of God's grace. To be open to the sound of God's grace so that we can reproduce that sound.

So, what is this sound of God's grace that I am talking about?

Firstly, in our homes. The sound of God's grace takes the form of the sound of prayer. So, is the sound of prayer heard in our homes? Do we have family prayers at home? God's grace is waiting to be poured into hearts that are opened at prayer. And whenever prayer is being said, faith is being built. Because faith comes from hearing (Romans 10:17), hearing the faith that is being expressed in prayer.

One of the elements of the faith crises that the Church is facing today is that there are people who do not know how to pray. Because they haven't heard the sound of prayer at home. And hence they do not know the language of prayer. Their tongues remain tied when it comes to prayer.

So, vocal prayers like the Rosary prayer and other devotional prayer might seem rather elementary. But they are indeed necessary when it comes to conveying the sound of God's grace.

Today Jesus also wants us to listen to a particular sound, the sound of His love, the sound that will open ears and loosen tongues. The sound of His love that will overcome the irreversible and the impossible situations that are created by deaf ears and stiff tongues, situations that resist the voice of God in prayer.

So, we just have to tune into the sound of prayer. Let the sound of prayer just flow in from our ears and into our hearts.
