HEALING PRAYER MINISTRY

New classes starting for prayer ministers, Monday at 6:00pm. Currently we have 8 prayer ministers and we are looking to add more parishioners to our ministry which teaches about the strength of healing prayer. Through healing prayer, Jesus can bring forgiveness of sins, physical healing, emotional healing, and spiritual healing to us all, which He often does. Come to our class and become a prayer minister or just learn how to listen to the Holy Spirit better.

Ministers set prayer appointments which consists of two prayer ministers and one recipient. Set in an atmosphere of love and support to grow in the knowledge and love of God, the recipient asks God for inner or physical healing. Through prayer ministry, many people have found a new dimension to their spiritual lives and have discovered the love of God in a more profound way. Each prayer appointment is confidential and open to anyone who wants to come.

If you are interested, please contact Vickie Slade in the parish office at 904-641-7244 or text 904-449-1447

FROM OUR PASTOR'S DESK

I MAKE ALL THINGS NEW!

"I make all things new", is the good news Jesus brings us through his death and resurrection. The world hasn't been the same since that moment in history. Death on a cross is Jesus' glorification; his death brings life. His glorification reaches its fullness in his resurrection, and he desires to share his new, glorious life with us. He has done that through the waters of our baptism.

We are a new creation. Jesus tells us that there will come a time when this new creation will be complete. We will be his people forever, dwelling with him. Every tear will be wiped away. There will be no more death or mourning, crying out or pain. All things will be completely new in the kingdom of heaven.

Jesus has told us that he is going to his Father's house to prepare a place for us. But he doesn't want us to stand around looking to the heavens for his return. He has given us his sure promise of future happiness so that we will have the strength and courage to get about the daily work of loving one another in the same way that he has loved us.

Loving in this way will be a challenge each day. His promise gives us hope and encouragement as we try to meet the challenges of loving. Our efforts to love really, have an effect on this passing world in which we live. The sincerity and generosity of our efforts to love will be a sign in this world of Jesus' continuing presence and work among us. Our efforts to love will continue to announce good news to all we meet.

Apply now for private school scholarships

Get an average of \$7,000 a year for K-12 education

May 3, 2022

ST. PETERSBURG – Families seeking more options in their children’s education can now apply for the Florida Tax Credit Scholarship and the Family Empowerment Scholarship for Educational Options on one application through Step Up For Students. Scholarship amounts vary by grade and county but will average about \$7,000.

Families can apply online at www.stepupforstudents.org.

The Florida Tax Credit Scholarship (FTC), which began in 2002, and the Family Empowerment Scholarship for Educational Options (FES-EO), created in 2019, provide learning options for students in grades K-12. Combined this year, they funded over 163,000 students in more than 2,000 private schools statewide.

Dependent children of members of the United States Armed Forces and Florida law enforcement officers may qualify, regardless of household income.

Families who want faith-based education options for their children can choose from one of more than 1,200 faith-based schools in Florida.

“This scholarship gives students the chance to attend the school that is best for them,” said Stacy Angier, principal of Abundant Life Christian Academy in Margate, a founding partner school with Step Up. “For the last 20 years, Abundant Life Christian Academy has been fortunate to accept Step Up For Students scholarships and has seen the impact it has had on so many students. With the right environment and necessary support, every student can strive to be their best.”

When Karla Collins left a 23-year-career in public schools a decade ago to become head of Victory Christian Academy, she was unfamiliar with the scholarship programs. But she quickly saw the benefits of letting families choose the school that works best for their children.

“I was excited to hear that families could choose a private school for their children if they wanted something different,” Collins says. “Step Up For Students has been a positive solution for so many of them! VCA is a family experience because of Step Up.”

About Step Up For Students

Step Up For Students, a 501c3 nonprofit based in Jacksonville and St. Petersburg, has awarded more than 1.3 million scholarships since it was founded in 2002. Today, Step Up administers four of the state’s K-12 scholarship programs: the donor-supported Florida Tax Credit Scholarship (FTC) and the taxpayer-funded Family Empowerment Scholarship for Educational Options (FES-EO), for low- and middle-income students; the Family Empowerment Scholarship for Students with Unique Abilities (FES-UA, formerly Gardiner); the Reading Scholarship for public school students in grades K-5 with low reading test scores; and the Hope Scholarship for bullied students.
