FLORIDA'S PRO-ABORTION AMENDMENT EXPLAINED Why Floridians Should Vote NO on Amendment 4

Titled "Amendment to Limit Government Interference with Abortion," Amendment 4 would enshrine **UNREGULATED ABORTION** in our state constitution, making Florida one of the **MOST PRO-ABORTION** states in the nation. The amendment language is **MISLEADING**, and its proposed outcomes are **DANGEROUS**.

WHAT IT SAYS

BALLOT SUMMARY

No law shall prohibit, penalize, delay, or restrict abortion

before viability

or when necessary to protect the patient's health,

as determined by the patient's healthcare provider.

This amendment does not change the Legislature's constitutional authority to require notification to a parent or guardian before a minor has an abortion.

WHAT IT DOES

PUTS WOMEN AT RISK

Amendment 4 would jeopardize existing laws and prohibit new ones that voters on both sides of the abortion issue support, including health and safety laws that protect women.

ALLOWS SECOND AND THIRD TRIMESTER ABORTIONS

Though not defined in the amendment, "viability" is defined in Florida law as the stage of development when the life of a fetus is sustainable outside the womb (Ch. 390.011(15)), generally accepted to be 22-24 weeks of pregnancy, or about 6 months.

CREATES A BROAD "HEALTH" LOOPHOLE

"Patient's health" is not defined in the amendment, allowing post-viability, extremely late-term abortions for treatable, temporary health concerns. Emotional health would justify an abortion when a child could survive outside the womb.

WEAKENS MEDICAL DOCTOR REQUIREMENT

"Healthcare providers" – not just physicians – could determine if an abortion is "necessary" to protect the mother's "health." Even some employees of abortion clinics, such as nurses and counselors, could approve late-term abortions.

ELIMINATES PARENTAL CONSENT

While preserving parental notification in our state constitution [Article X, Section 22], the amendment would invalidate the current law that requires parental consent for a minor to have an abortion (Ch. 390.011(4)(5)), making abortion the only medical decision for which parents have no say.

PRAYER BEFORE AN ELECTION

Lord God, as the election approaches, we seek to better understand the issues and concerns that confront our city/state/country, and how the Gospel compels us to respond as faithful citizens in our community.

We ask for eyes that are free from blindness so that we might see each other as brothers and sisters, one and equal in dignity, especially those who are victims of abuse and violence, deceit and poverty.

We ask for ears that will hear the cries of children unborn and those abandoned, Men and women oppressed because of race or creed, religion or gender.

We ask for minds and hearts that are open to hearing the voice of leaders who will bring us closer to your Kingdom.

We pray for discernment so that we may choose leaders who hear your Word, live your love, and keep in the ways of your truth as they follow in the steps of Jesus and his Apostles and guide us to your Kingdom of justice and peace.

We ask this in the name of your Son Jesus Christ and through the power of the Holy Spirit. Amen.

FROM THE PASTOR'S DESK

Accepting God's "Labor Day" Gift!

In 1894, Labor Day was declared a National Holiday. Most worked a six-day work week and then enjoyed Sundays for worship, time with family, and relaxation. Sunday was their "Divine Day of Vacation" set aside by God to slow us down and recharge us physically, mentally, and most importantly, spiritually.

In God's 3rd Commandment, "Remember to keep holy the Lord's Day," He gave us an incredible gift. However, many don't open and accept this gift. Instead, many choose to make the "Lord's Day" another "labor" day to catch up on all that we have been doing in the weekdays. Has your weekly "Lord's Day" become a "labor" day? God's wisdom offers us

a better plan.

"Six days you shall labor and do ALL your work, but the seventh day is a Sabbath to the LORD your God" –

Exodus 20:9

It is a matter of priorities and trust. Which plan is better? Your plan, or God's? I challenge you to choose to accept God's gift and trust in His plan and commit to preserving your Sundays for worshiping, slowing down to spend quality time with family and friends, and to count your blessings and thanking God for them. Opening God's gift of Sunday starts with pre-planning and rearranging your schedule during the week to get important tasks done earlier so your Sunday is cleared to enjoy your weekly "Divine Day of Vacation."

Consider the benefits of setting Sunday aside to nurture your relationships with family, friends and especially with your Creator, the source of life, wisdom and truth. With such an incredible gift waiting to be opened, plan and give yourself permission to rest and relax with God! Remember, Christ has personally invited us . . .

"Come to me, all you who labor and are burdened, and I will give you rest." – Matthew 11:28

Since God has given you this gift of "rest"— you must open and enjoy His gift for you and your family. This Labor Day Weekend, take an honest look at on how you spend your time on Sundays and during the week. Here are some questions to help you rebalance your time and priorities and open this precious gift from God:

- *What activities have I allowed to waste my time, drain my energy and rob me of a good night's rest?*
- *Do I intentionally spend time with God on Sunday? How can I be more intentional?*
- *Do I look at attending Mass as my Sunday "obligation," or is it a time I look forward to worshiping and honoring and giving thanks to God for all my blessings?*
- *Do sports take priority over God during my Sunday? How can I reprioritize my time on Sundays?*
- *How would having a better plan for my week enrich my relationships with God? Family? Friends? Someone in Need?*
- *Do you know others who generally spend their "Divine Day of Vacation" as a day of labor? In love, bless them by sharing how truly incredible God's gift Sundays can be for them if they choose to open it. Have a wonderful Labor Day weekend!*

World Day of Prayer for creation

Kateri Tekakwitha is patron saint of ecology and ecologists. Patron saint of the environment, environmentalism, and environmentalists. A saint who urges us towards a special concern for the glorious creation God made for us, who wants us to see each stick and stone as objects ordered toward our sanctification. We see in her a friend who reminds us that always we should keep a deep longing for humanity's well-being in our hearts.

We are given a sort of roadmap for proper care of creation. A roadmap that responds deeply to the glory of God reflected in creation while loving the humanity that is part of it and simultaneously seeking to protect both. "Let us be protectors of creation, protectors of God's plan inscribed in nature, protectors of one another and of the environment."

STEWARDSHIP FOOD FOR THOUGHT: TWENTY-SECOND SUNDAY IN ORDINARY TIME

"Every worthwhile gift, every genuine benefit, comes from above," says St. James in the second reading. But, he reminds us, true worship of God involves using those good gifts to benefit the less fortunate. Good stewardship is not optional; it is the hallmark of our faith!
