JUBILEE 2025: YEAR OF HOPE (PART II)

Pilgrimage

The jubilee calls for us to set out on a journey and to cross boundaries. When we travel, we do not only change place physically, but we also change ourselves. Hence, it is important to prepare ourselves well, to plan the route, and learn about the destination. In this sense, the Jubilee pilgrimage begins before the start of the journey itself: the starting point is the decision to set out. The etymology of the word "pilgrimage" is quite telling and has undergone little change in meaning over the years. The word comes from the Latin "per ager," meaning "across the fields," or perhaps from "per eger" meaning "border crossing": both possible origins point to the distinctive aspect of undertaking a journey.

In the Bible, Abraham is described as a person on a journey: "Go forth from your land, your relatives, and from your father's house" (Genesis 12:1). With these words Abraham begins his adventure, which ends in the Promised Land, where he is remembered as a "wandering Aramean" (Deuteronomy 26:5). Jesus' ministry can also be seen as a journey, from Galilee to the Holy City of Jerusalem ... "As the time drew near when Jesus would be taken up to heaven, he made up his mind and set out on his way to Jerusalem." (Luke 9:51). Christ himself calls His disciples to walk this road, and even today Christians are those who follow him and set out after Him.

The journey takes place gradually: there are various routes to choose from and places to discover; it is made up of particular sets of circumstances, moments of catechesis, sacred rites and liturgies. Along the way our traveling companions enrich us with new ways of understanding things and fresh perspectives. Contemplation of creation is also part of the journey and helps us to realize that care for creation "is an essential expression of our faith in God and our obedience to his will" (Pope Francis, Letter for the Jubilee 2025). Pilgrimage is an experience of conversion, of transforming one's very being to conform it to the holiness of God. During the pilgrimage, one also shares in the experience of those who, for various reasons, are forced to leave their homelands to seek a better life for themselves and their family.

Holy Door

From a symbolic viewpoint, the Holy Door takes on a special significance: it is the most powerful sign of the Jubilee, since the ultimate aim of the pilgrim is to pass through it. The opening of the door by the Pope constitutes the official beginning of the Holy Year. Originally, there was only one door, at the Basilica of St. John Lateran, which is the cathedral of the Bishop of Rome. Later, to allow as many pilgrims as possible to take part in the Jubilee experience, the other Roman Basilicas also opened their own holy doors.

In crossing the threshold of the Holy Door, the pilgrim is reminded of the passage from chapter 10 of St John's gospel: "I am the door. If anyone enters by me, he will be saved and will go in and out and find pasture." Passing through the Holy Door expresses the decision to follow and be guided by Jesus, who is the Good Shepherd. The door is a passageway that ushers the pilgrim into the interior of a church. For the Christian community, a church is not only a sacred space, to be approached with respect, with appropriate behavior and dress code, but it is a symbol of the communion that binds every believer to Christ: it is a place of encounter and dialogue, of reconciliation and peace which awaits every pilgrim, the Church is essentially the place of the community of the faithful.

In Rome, this experience takes on a special significance because of the special links between the Eternal City and Saints Peter and Paul, the apostles who founded the Christian community in Rome and whose teachings and example are models for the universal Church. The tombs of Saints Peter and Paul are located in Rome, they were martyred here; and together with the catacombs, these sacred sites are places of continuous spiritual inspiration.

JUBILEE 2025: YEAR OF HOPE

The Permanent Deacon

The Book of Acts in chapter 6 records the beginning of the diaconate. The deacon was born from the need for the Apostles to have more time to attend to prayer and to the ministry of the word. The original deacons were chosen for their dedication to the Church and their faith in Christ. Stephen being the first to be chosen also became the first martyr of the Church. The first deacons were ordained by the Apostles to the ministry of service by the laying on of hands. We learn further in the 8th chapter of Acts how the deacon Philip led by the Holy Spirit went to preach in Samaria. Then he was led by the Holy Spirit to explain the scriptures to the Ethiopian in the chariot converting him to Christianity. We learn more about the deacon from St. Paul's first letter to Timothy, chapter 3. As a permanent order, the diaconate eventually declined so that by the Middle Ages it was reduced to an exclusively transitional order of ministry on the path to priesthood.

The 2nd Vatican Council restored the office of Permanent Deacon as a permanent rank in Catholic hierarchy. (Bishop, priest and deacon) Pope Paul VI implemented the decision of the Council in 1967 with the apostolic letter *Sacrum Diaconatus Ordinem* (The Sacred Order of the Diaconate).

The ministry of the permanent deacon included the three dimensions of liturgy, word and service. During the Sacred Liturgy the deacon assists the bishop and priests. At the Mass, the deacon proclaims the Gospel and, invited by the celebrant, may preach the homily, and assists at the altar. The deacon may also baptize children under 7 years of age, witness and bless marriages outside of Mass, preside at the Liturgy of the Hours and preside at funeral liturgies. While those are the more visible duties of the deacon the call to serve the Church outside of the liturgical setting is to be noted. The deacon may be assigned by the Bishop to minister to those in prison, to the sick at hospitals and nursing homes as well as to a ministry to merchant sailors when their ships dock at our port. The deacon, when assigned to a parish serves under the direction of the pastor, supporting him and his ministry in the most fruitful ways deemed possible.

Prior to Bishop Victor Galeone becoming the Bishop of St. Augustine in 2001 there was no deacon formation program in the diocese. All deacons serving in the St. Augustine Diocese at that time were previously ordained in other dioceses. In 2003 Bishop Galeone asked Fr. Michael Morgan (now Monsignor) to develop and implement a permanent diaconate program for our diocese. With the assistance of deacons Paul Pettie and Jack Baker and many priests from our diocese, our first formation class was ordained on June, 3rd, 2006. It has been followed by ordinations classes in 2008, 2011, 2015 and 2022. We are currently forming a new class for ordination in 2030. As mentioned before, there are many permanent deacons serving in our diocese who were ordained in other dioceses throughout the world. The deacons of the St. Augustine diocese serve with great dedication to the ministry they have been called to. Please feel free to ask the deacon at your parish about his call to the ministry.
