MARTHA AND MARY: PRAYER, SERVICE & HOSPITALITY

* Prayer (Mary's Example)

"Mary chose the better part—listening at the feet of Jesus reminds us that prayer must come first.". "Before doing things for God, be with God." Time in prayer gives strength and meaning to our actions.

"In a busy world, be like Mary—make space for silence and time with the Lord." "Saints are made in the chapel and in the kitchen." God is present both in silent adoration and in humble tasks.

"Prayer isn't doing nothing; it's choosing the One thing necessary." "A moment with Jesus in prayer can transform a day of service into an offering of love.

* Service (Martha's Example)

4. "Martha served with love—service is holy when done with a peaceful heart."
5. "God sees every dish washed and floor swept when done for love of Him."
6. "Like Martha, we serve Christ when we serve others—but let us serve without anxiety."

* Hospitality (Both Sisters Together)

7. "True hospitality welcomes Christ with both hands—one to serve, the other to pray."
8. "Martha and Mary show us that the best welcome includes both open homes and open hearts."
9. "Jesus desires both our work and our worship—hospitality begins by inviting Him in."

Let us remember that Prayer and Service are "Two Wings to Holiness". May the example of Martha and Mary inspire us to balance our lives—with hearts attentive to Jesus in prayer, hands ready for service, and homes open in hospitality.

~ "Martha acted because she heard Jesus' words, while Mary listened and then acted by anointing Jesus' feet. "What Martha did is what we are," St. Augustine preached, "what Mary did is what we hope for."

July 3, 2025

Dear Holy Spirit Parishioners:

On May 1, 2023, Holy Spirit Catholic Church initiated the Family Life Center Debt Reduction Campaign with the goal of securing \$525,000 in gifts and pledges to pay off the parish loan to the diocese by the end of 2026. The parish responded with many making two-year pledges and others using the yellow envelopes or online option. To all of you – THANK YOU!

Now, after two years of gift and pledge fulfillment, I am pleased to announce that we have **reduced our loan by \$413,000 thus leaving a balance of \$112,000**. Even though we have made significant progress, our goal remains to completely pay off this loan in 2026 as we previously planned. To do so, we are asking for everyone's support. *For those who have pledged and for those who contribute through our yellow envelopes and online, we are asking that you continue your support and generosity for so that we may achieve this 2026 goal. We also encourage those who haven't given to consider contributing this time.*

The FLC has been an integral part of the parish for the past seven years. Each week our ministries utilize the meeting rooms and main hall extensively. So much is accomplished because the FLC provides a special location for all that we do to serve our parish and school community.

Again, thank you for your constant generosity and please accept my invitation to continue supporting the final phase of the Family Life Center Debt Reduction Campaign.

Yours in Christ, Joseph, and Mary,

Fr. John Peter Arul, MSFS

Pursue a lasting love ...
Create hope for the future!

*Natural Family Planning...supporting God's
gifts of love and life in marriage*

What Does it Mean to Pursue a Lasting Love?

As men and women caught in the responsibilities of daily life, it's easy to lose sight of the fact that we are destined for eternity. The thought that God's love *endures forever* is something difficult for our time-bound selves to comprehend. It's a lofty claim that can be easy to leave on the shelf as an "ideal"—rather than a truth we intentionally integrate into our marriage, here and now.

Because of the consequences of original sin, we do not come into this world knowing how to love as God loves. Instead, we receive and experience God's love for us throughout our lives, even as we learn to model that love in how we treat others. As Pope Francis says:

When a person discovers God, the true treasure, he abandons a selfish lifestyle and seeks to share with others the charity which comes from God. He who becomes a friend of God, loves his brothers and sisters, commits himself to safeguarding their life and their health.... (Pope Francis, Homily, 2014)*

Learning from the Trinity

A key way we can learn more about God's love is by examining the Trinitarian relationship between God the Father, the Son, and the Holy Spirit. The Trinity is three distinct persons united in one Godhead. The inner life of the Trinity is interpersonal, self-giving, and communicative.

As Christians, we are challenged to have faith that is "the confidence of what we hope for and the assurance of what we do not see" (Heb. 11:1). The first step in pursuing a lasting love, with the Trinity as our example,

is the belief that a lasting love is possible—that we truly can and do daily participate in a divine reality that is beyond what can be seen on the surface.

Love is Free, Total, faithful, and Fruitful!

Church teaching maintains that married love must be free, total, faithful, and fruitful. This is exactly how the Trinity loves!

In the Trinity, love is freely given between the three persons. The persons of the Trinity willingly place themselves at the service of their communion. There is no coercion or ulterior motive.

The total gift of each person to the other allows for the one-ness of the Trinitarian relationship.

Secondly, the persons of the Trinity give themselves totally to one another. Though each person of the Trinity retains their unique personhood, they hold nothing back from the participation in Trinitarian love. The total gift of each person to the other allows for the one-ness of the Trinitarian relationship.

Third, Trinitarian love is faithful. The steadfastness of the Trinity is an indispensable part of a love which endures for all eternity. And finally, love is fruitful. The love of the Trinity is life-giving. All of creation, all of mankind, all goodness, all beauty results and flows from the love of the Trinitarian relationship.

The Human Person as Gift

It is only from the foundational understanding of love that we can come to know what a person is. The human person is made by love and for love. St. John Paul II phrases it beautifully in what is known as his personalistic norm. He states that human beings are subjects and not objects. Objects are meant to be used. Subjects are meant to be received as a gift. When we see our spouse and our children as gifts, the way that we relate to them shows just how much we value them.

Our families are especially called to be an icon of Trinity—where our hearts are stretched by loving one another and we are prepared to participate in eternal love. Then, spouses are called in a unique and intimate way to enter into a lasting love through the reception of one another as a gift in the sexual embrace. Spouses are called to open their hearts to God in marital intimacy such that each marital act be oriented towards the openness to life and the good of one another.

Natural Family Planning, an Expression of Love

With this end in mind, it is also important to note that there are times when, for serious reasons, it may not be prudent for a couple to have a child. In keeping with the vision of a lasting love that is free, total, faithful, and fruitful, the Church proposes Natural Family Planning (NFP) as a practical and morally permissible method for married couples to avoid or achieve pregnancy.

According to the United States Conference of Catholic Bishops, practicing NFP allows spouses to be responsible parents and at the same time “respect God’s design for life and love.” NFP is based on the natural times of fertility and infertility experienced throughout the course of a woman’s menstrual cycle. In seasons where it may be imprudent for a couple to have a child due to psychological, financial, physical, or other serious reasons, the couple abstains from intercourse during the woman’s fertile time. At the same time, NFP can also be used to achieve pregnancy.

NFP is not contraception because it does nothing to alter or block the body’s natural rhythms of fertility. Instead, NFP relies on scientifically proven methods of tracking a woman’s menstrual cycle so that a couple can make an informed decision guided by faith and reason.

NFP depends on the couples’ free choice to abstain or engage in intercourse based on the good of the spouses and the good of the family as a whole.

When spouses engage their free will to communicate in this way, they are choosing to see each other and future children as gifts and saying yes to a love that is free, total, faithful, and fruitful—answering the call to be an image of lasting Trinitarian love.

STEWARDSHIP FOOD FOR THOUGHT: 16TH SUNDAY OF ORDINARY TIME

Today's readings speak of hospitality. Abraham, who cheerfully did for his guests all that desert hospitality required, was rewarded with his heart's desire - a son. Martha also busied herself with all the details of hospitality, but grudgingly and with complaint. Am I a cheerful or a grudging giver?
