Annual Marian Rosary Procession & Mass

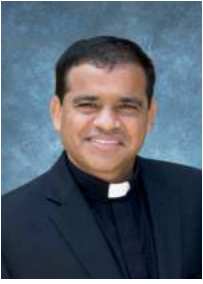

The month of October each year is dedicated to the Most Holy Rosary. This is primarily due to the fact that the liturgical feast of Our Lady of the Rosary is celebrated annually on October 7.

It was instituted to honor the Blessed Virgin Mary in gratitude for the protection that she gives the Church in answer to the praying of the Rosary by the faithful.

**Come join us for our Annual Rosary Procession  
around the church grounds immediately  
followed by Mass.**

## If Your Children Lose the Faith, It May Not Be the Church's Fault - They Didn't Lose the Faith Overnight!

You might have heard it before but my spirit still wants me to speak gently to parents again. Not to blame them. But to wake all of us up, me included. Because many parents say:

"Father, my children don't like church anymore."

"They don't want Mass."

"They don't pray."

"They prefer other places."

"The Church failed them."

But sometimes, very quietly, the problem didn't start in the Church. It started at home. Because faith is not first taught on the altar. It is first taught at the dining table. Your child's first catechist is not the priest. It's you. Not the parish. You. And children don't learn faith from what we say. They learn from what we do.

You tell them: "Prayer is important." But they never see you pray.

You tell them: "Mass is serious." But you come late every Sunday. Or skip when it rains. Or stay home when there's football.

You tell them: "God first." But work, money, and phone always come first. What do you think they will believe? Your words? Or your lifestyle?

Children are not fooled. They copy what they see.

If faith is optional for you, it will be useless to them. If church is a burden for you, it will be punishment for them. If God is only remembered during problems, they will only remember God during exams. And then when they grow up, we panic: "Father, they left the Church!" But maybe they never really saw faith lived joyfully at home.

Teach these things to your children, talk about them at home, morning and night. Don't leave everything for Sunday. Daily. Faith must be normal at home. Simple things: Praying together. Blessing meals. Talking about God naturally. Letting your children see you kneel. Let them see you go to confession. Let them see you take the Catholic Church seriously. Because when children see consistency, faith becomes real. But when they see hypocrisy, faith becomes fake. And no young person wants fake.

Listen carefully, parents, the parish supports you. The priest guides you. But you are the domestic church. If the fire doesn't burn at home, Sunday Mass alone cannot fix it. One hour a week cannot compete with 100+ hours of worldly influence. So don't just send your children to church. Walk with them. Pray with them. Model it. Because more than your advice, your example will save them. And one day, when they choose God freely, you will realize: It wasn't the homily that formed them. It was your quiet faith at home.

## COMMUNITY PROJECT UPDATE

Back in 2022, our community raised approximately \$18,000 to build a grotto on one of the islands in the parking lot. Unfortunately, that project was never started.

Father John Peter now plans to use those funds for a different prayer garden—the garden that is in between the church and Family Life Center.

The money was raised through several different events, and unfortunately, we do not have a record of everyone who donated. If you contributed specifically to the grotto project and **do not wish for your donation to be used toward the new beautification project**, please contact the office. *This notice has been approved by the Diocese.*

## WHY REGISTER IN A PARISH? & IS YOUR INFO UPDATED?

A Catholic parish is a witness and part of the living Body of Christ. This is where we continue the mission of Jesus Christ through our liturgies, ministries and services.

There are many reasons to register:

- A sense of belonging and identity in a parish community
- Being included in the active status of the parish helps in the planning for the liturgical and logistical needs of the parish
- Gives the parish a way to contact and connect with you
- Be able to receive the Sacraments of Baptism, First Reconciliation, First Holy Communion, Confirmation, or Holy Matrimony
- Have the ability to complete the diocesan eligibility form and/or letter of good standing to be a sponsor/godparent in Baptism or Confirmation
- Allows you to receive important parish information or alerts in times of emergency such as hurricane closure/opening updates
- ...and so much more!

Registering does not automatically mean you'll get tithing envelopes.

If you would like to register, you can register on the Holy Spirit website at <https://holyspiritchurchjax.org/new-parishioner-registration/> or contact the **church office @ (904) 641-7244**.

### ***If you are already registered...***

it is important to keep your information updated. If you have moved or changed your contact information, please contact the church office as well.

Being part of a parish means sharing in its life and mission. **Along with our time and talents, our financial support is an important part of stewardship and allows our parish to worship, serve, and minister to one another and our wider community. Please prayerfully consider making regular giving a part of your commitment to our parish family.** Thank you for your generosity and stewardship.

## CONGRATULATIONS MATTHEW MEYER AND OTHER CANDIDATES

Please join us in congratulating Matt Meyer, who has recently received Candidacy as he continues his formation toward the permanent diaconate.

Candidacy is an important step in the Church's formation process for men discerning a call to Holy Orders. Through this rite, a candidate publicly expresses his intention to continue preparing for ordained ministry, while the Church formally recognizes and supports him in this continued period of discernment and formation.

We are grateful for Matt's willingness to respond generously to God's call and to serve our parish community. Please keep Matt and his family in your prayers as he continues his formation and prayerful discernment of God's call to the permanent diaconate. May the Holy Spirit guide and strengthen him throughout this journey.
