## THE MOST HOLY BODY AND BLOOD OF CHRIST

Today the Church celebrates the feast of Corpus Christi, the feast of the Body and Blood of Christ. The Body and Blood of Christ, or simply called the Eucharist, is the greatest and deepest mystery of the Church, and at the same time it is also the most difficult to comprehend and understand and to believe. That is because it is the mystery of God's love for us which is certainly beyond our comprehension and understanding.

Here are some thoughts of St. Francis de Sales on the Eucharist: After the resurrection, Jesus entered the room where the Apostles gathered, although the doors were locked. He wanted to assure them that He was still alive and present to them. Similarly, Jesus gives us His body and blood under the form of bread and wine to assure us of His real presence among us.

The height of God's self-giving love for us is the Eucharist. Christ instituted the sacrament of the Eucharist so that the whole human family might be intimately united with Him. United in Christ, this sacrament also calls us and helps us to unite with one another in that spiritual union that Our Savior desires us to have. This union unites many different members and forms them into one body. Thus, this sacrament is also called Communion as it represents to us the common union of holy love that we ought to have together.

In the Eucharist, the perpetual feast of divine grace, we have a pledge of infinite happiness. When we frequently and devoutly receive the Eucharist, we build up our spiritual health so that we may effectively avoid evil. It strengthens our hearts and makes us God-like in this world. Very tender fruits such as strawberries are subject to decay. Yet, they can be easily preserved for a whole year with sugar or honey. How much more so are our frail and weak human hearts preserved from evil in receiving the Eucharist.

In five days', time, the Church will be celebrating the feast of the Most Sacred Heart of Jesus. So, the feast of Corpus Christi prepares us to encounter the Heart of Christ. Because the Body of Christ that we receive at Holy Communion is nothing less than the Sacred Heart of Jesus, the most profound blessing of God.

And that's why in receiving the Body of Christ, which is the Heart of Christ, we must make that act of faith – we must say "Amen." In doing so, we are also asking Jesus to make our hearts like His. Let us grow in the gentle and strengthening bonds of holy love through receiving the Eucharist.

# HAPPY FATHER'S DAY

Greetings to all our fathers and father figures in our Holy Spirit community. With the intercession of St. Joseph, may you and your family always be blessed!

## NATIONAL EUCHARISTIC REVIVAL

The U.S. bishops' focus on the significance of the Eucharist in the life of the church is not just about on the statement they approved at their fall meeting.

It also is about something bigger: **a three-year eucharistic revival that will culminate with the National Eucharistic Congress 2024 in Indianapolis.**

The bishops approved a motion Nov. 17 during their general assembly in Baltimore to host this congress with 201 votes in favor, 17 against and five abstentions.

The revival will officially start on the feast of Corpus Christi June 16, 2022, with a diocesan focus that will include eucharistic processions and other events of adoration and prayer around the country.

In 2023, the emphasis will be on parishes and resources aimed at increasing Catholics'

understanding of what the Eucharist really means. **Part of the impetus prompting this effort was a Pew study in the fall of 2019 that showed just 30% of Catholics understand the real presence of Christ in the Eucharist.**

Blessed Carlo Acutis will be the patron for the first year of the revival. The Italian teen, who was beatified in October 2020, died of leukemia in 2006 at age 15. He was a programmer who used social media to unite many people and spread Christian values.

In his apostolic letter proclaiming the youth "blessed," Pope Francis said he "cultivated a friendship with our Lord Jesus, placing the Eucharist and the witness of charity at the center of his life."
